**RE: REQUEST FOR PERMISSION FOR OMSC COPYWRITTEN MATERIALS**

Dear Dr. Roberts,

Thank you for your request to adapt the Ottawa Model for Smoking Cessation Program materials. We are pleased to provide with our permission to integrate the OMSC smoking cessation consult form into the OSCAR electronic medical record.

We would ask that you acknowledge the University of Ottawa Heart Institute as the source of these documents.

Thank you for your interest in the program.

Sincerely,

Sophia Papadakis

Program Director, Ottawa Model for Smoking Cessation in Primary Care
